

PURCHASE ORDER TERMS AND CONDITIONS

Effective Date: February 6, 2022*

The following Purchase Order Terms and Conditions (these “**Terms**”) shall apply to the purchase of products (the “**Products**”) and/or services (the “**Services**”) by Flushmate LLC and its Affiliates (together Flushmate LLC and its Affiliates shall be referred to herein as, “**Flushmate**”). These Terms, along with the Flushmate Purchase Order (the “**Purchase Order**”) delivered by Flushmate constitute the entire integrated agreement between the seller of such Products and/or Services (“**Seller**” or “**you**”) and Flushmate concerning such Products and/or Services. No change, modification, amendment, or other agreement with regard to these Terms shall be binding upon Flushmate unless made in writing and signed by an authorized officer of Flushmate. For purposes herein, the term “**Affiliate**” means Sloan Valve Company, Sloan Global Holdings, LLC and any entity that is controlled by, or is under common control or ownership with, Flushmate, or either of such Sloan entities, where the term “control” means possession, directly or indirectly, of fifty percent (50%) or more of the voting securities in the entity or the power to direct or cause the direction of the management and policies of an entity, whether through ownership of voting securities, by contract interest or otherwise.

1. **Construction and Order of Precedence**. Except with respect to any written agreement signed by both Seller and Flushmate that governs the purchase of the same Products or Services described in a Purchase Order and that expressly supersedes or modifies these Terms (a “**Master Purchase and Sale Agreement**”), these Terms apply to, and are incorporated into, all purchase orders, releases, schedules, statements of work, specifications, bids, quotations, acknowledgments, obligations, understandings, commitments, arrangements, and transactions between Seller and Flushmate relating to the purchase of Products or Services. Unless otherwise expressly agreed in a written instrument signed by an authorized officer of Flushmate, any ambiguity, conflict, or inconsistency among the documents governing the purchase of Products or Services shall be resolved in the following order of precedence: (a) the applicable Purchase Order, but only with respect to transaction-specific terms such as Products or Services ordered, quantities, price, delivery dates, delivery location, shipping instructions, and specifications; (b) any Master Purchase and Sale Agreement or other written agreement signed by both Seller and Flushmate, solely with respect to the Products, Services, transactions, or subject matter expressly covered by such agreement; and (c) these Terms. No quotation, proposal, order acknowledgment, invoice, packing slip, bill of lading, shipping document, click-through term, website term, vendor portal term, email, or other document, communication, or term provided or made available by Seller shall amend, supplement, supersede, or add to these Terms, any Purchase Order, or any Master Purchase and Sale Agreement unless expressly agreed in a written instrument signed by an authorized officer of Flushmate. Flushmate’s acceptance of Products or Services, payment, failure to object, or other conduct shall not constitute acceptance of any Seller terms or conditions. These Terms, the applicable Purchase Order, and, if applicable, any Master Purchase and Sale Agreement, contain the entire understanding of Flushmate and Seller with respect to the subject matter thereof and may not be supplemented or modified by course of dealing, course of performance, usage of trade, oral communication, or any response by Seller purporting to modify, supplement, or condition acceptance of Flushmate’s terms, unless expressly agreed in a written instrument signed by an authorized officer of Flushmate.

2. **Scope of Work.** The Products manufactured and/or the Services provided by Seller will be in strict accordance with the scope of work and specifications set forth in the Purchase Order.

3. **Bailment.**

a. All supplies, materials, machinery, equipment, tooling design files, drawings, photographic negatives and positives, artwork, copy layout, electronic data and other items, furnished by Flushmate, either directly or indirectly, to Seller or to any supplier of Seller in connection with or related to any Purchase Order, or for which Seller has been at least partially reimbursed by Flushmate (collectively, and as may be modified from time to time, the "**Bailed Property**") is and will at all times remain the property of Flushmate and be held by Seller on a bailment-at-will basis.

b. Only Flushmate has any right, title or interest in and to Bailed Property, except for Seller's limited right, subject to Flushmate's sole discretion, to use the Bailed Property solely in the performance of Seller's obligations under these Terms. Seller shall bear the risk of loss of and damage to Flushmate's Bailed Property; the Bailed Property shall at all times be properly housed and maintained by Seller; shall be conspicuously marked "Property of Flushmate" by Seller; shall not be commingled with the property of Seller or any third-party; and shall not be moved from Seller's premises without the prior written approval by Flushmate. Flushmate may, at any time, for any reason and without payment of any kind, retake possession of any Bailed Property without the necessity of payment or notice to Seller, or a hearing or a court order, which rights, if any, are waived by Seller. Upon the expiration or termination of the Purchase Order or these Terms, or upon Flushmate's request, Seller must immediately cease all use of the Bailed Property and promptly release the same to Flushmate or deliver such Bailed Property to Flushmate to any location designated by Flushmate, in which event Flushmate shall pay to Seller the reasonable cost of delivery. Seller's continued use of or holding of Bailed Property after demand has been made by Flushmate for delivery will substantially impair the value thereof, and, accordingly, Flushmate will be entitled to a court order of possession without any need or proving damages or a bond. To the fullest extent permitted by law, Seller shall not allow any encumbrance to be imposed on or attach to the Bailed Property through Seller or as a result of Seller's action or inaction, and Seller hereby waives any encumbrance that it may have or acquire in the Bailed Property.

c. FLUSHMATE HAS NOT MADE AND DOES NOT MAKE ANY REPRESENTATION OR WARRANTY WHATSOEVER, EITHER EXPRESS OR IMPLIED, AS TO THE FITNESS, CONDITION, MERCHANTABILITY, DESIGN OR OPERATION OF THE BAILED PROPERTY OR ITS FITNESS FOR ANY PARTICULAR PURPOSE.

4. **Prices.** The price of the Products and/or Services is the price stated in the Purchase Order (the "**Price**"). Unless otherwise specified in the Purchase Order, the Price includes all packaging, handling, insurance, custom duties, commissions to selling agents, incidental charges, and fees and applicable taxes, including, but not limited to, all sales, use or excise taxes. No increase in the Price is effective, whether due to increased material, labor, or transportation costs, or otherwise, without the prior written consent of Flushmate.

5. **Payment.** Unless otherwise specified in the Purchase Order, Seller shall issue an invoice to Flushmate on or any time after the completion of delivery of the Products and/or of the Services, as applicable. Unless the Purchase Order states otherwise, Flushmate shall initiate payment on all properly invoiced amounts due to Seller within sixty (60) days after Flushmate's receipt of such invoice, except for any amounts disputed by Flushmate in good faith. The parties shall seek to resolve any payment disputes expeditiously and in good faith. Seller shall continue performing its obligations under these Terms notwithstanding any such dispute. Flushmate has no obligation to pay any amount first invoiced more than six (6) months after such amount accrued. Seller shall, if Flushmate desires, accept all payments in U.S. Dollars. Flushmate may make payments using "Electronic Funds Transfer" ("**EFT**") or ePayables (credit card settlement), in which case Seller shall complete and deliver such applications and authorizations as Flushmate customarily requires for these purposes. Without prejudice to any other right or remedy it may have, Flushmate reserves the right to set off at any time any amount owing to it by Seller (including, but not limited to, any indemnification or late penalty obligations) against any amount payable by Flushmate to Seller.

6. **Modification of Purchase Order.** Flushmate may modify or cancel any Purchase Order for any reason, within two (2) business days of submission to Seller.

7. **Shipment and Delivery.** Seller shall deliver the Products in the quantities and on the date(s) specified as the Due Date in the Purchase Order or as otherwise agreed in writing by the parties (the “**Due Date**”). If no Due Date is specified, Seller shall deliver the Products within thirty (30) days of Flushmate’s submission of its Purchase Order to Seller, **which submission may be made** via email, EDI or facsimile. If Seller fails to deliver the Products in full on the Due Date, Flushmate may terminate the applicable Purchase Order immediately by providing written notice to Seller and Seller shall reimburse and indemnify Flushmate against any losses, claims, damages, and reasonable costs and expenses directly attributable to Seller’s failure to deliver the Products on the Due Date. Seller shall deliver all Products to the shipping address specified in the Purchase Order (the “**Delivery Point**”) during Flushmate’s normal business hours or as otherwise instructed by Flushmate. Seller shall pack all goods for shipment according to Flushmate’s instructions or, if there are no instructions, in a manner sufficient to ensure that the Products are delivered in undamaged condition. Seller must provide Flushmate prior written notice if it requires Flushmate to return any packaging material. Any return of such packaging material shall be made at Seller’s risk of loss and expense. Seller shall provide the Services to Flushmate as described and in accordance with the schedule set forth on the applicable Purchase Order. Seller acknowledges that time is of the essence with respect to Seller’s obligations hereunder and the timely delivery of the Products and Services, including all performance dates, timetables, project milestones and other requirements in the Purchase Order and these Terms. Except as otherwise provided in the Purchase Order, Seller shall ship the Products to Flushmate’s facility, FCA (Incoterms 2020). Shipments and packaging will comply with Flushmate’s packaging guidelines and shall comply with applicable law. Shipments sent C.O.D. without Flushmate’s written consent will not be accepted and will be at Seller’s risk. Shipments will comply with Flushmate’s freight routing guides when using Flushmate’s freight accounts. If freight policy is not properly followed by Seller, Flushmate reserves the right to charge back the Seller for freight expenses. If Seller is unable to meet the required Due Date with normal modes of transportation, Seller is responsible for all costs associated with expedited freight.

8. **Late Delivery and Liquidated Damages.** Without limitation of its rights in Section 7 above, Flushmate may, in its discretion, agree to accept a late delivery; provided, that Flushmate shall get a credit, for every five (5) days of delay, equal to one percent (1%) of the total value of the Products whose shipment has been delayed **with any partial five (5)-day period treated as a full period, up to a maximum of ten percent (10%) of the total value of the delayed Products.** The parties agree that damages resulting from late delivery would be difficult to determine with precision and that the foregoing amount is a reasonable estimate of Flushmate’s anticipated damages and not a penalty. Flushmate may deduct such amounts from any amounts owed to Seller.

9. **Title and Risk of Loss.** Title and risk of loss passes to Flushmate upon delivery of the Products at the Delivery Point.

10. **Inspection.** Flushmate has the right to inspect the Products on or after the Due Date. Flushmate, at its sole option, may inspect all or a sample of the Products, and may reject all or any portion of the Products if it determines the Products are nonconforming or defective. If Flushmate rejects any portion of the Products, Flushmate has the right, effective upon written notice to Seller, to: (a) terminate the applicable Purchase Order in its entirety; (b) accept the Products at a reasonably reduced price; or (c) reject the nonconforming or defective Products and require replacement of such rejected Products in accordance with Section 15 below. Any payment in full for the Products, inspection or other action by Flushmate under this Section 10 shall not reduce or otherwise affect Flushmate’s rights or Seller’s obligations under these Terms. Without limitation of the foregoing, Flushmate shall have the right to conduct further inspections after Seller has carried out its remedial actions.

11. **Change Orders.** Seller shall not make any changes or substitutions to the Products ordered under any Purchase Order without the prior written consent of Flushmate, through its authorized representative. Flushmate may at any time, by written instructions and/or drawings issued to Seller (each a “**Change Order**”), order changes to the Services or the Products. Seller shall within the requested time frame, and if one is not stated, then within twenty-four (24) hours of receipt of a Change Order submit to Flushmate any change in cost for the Change Order. If Flushmate accepts such cost proposal, Seller shall proceed with the changed Services subject to the cost proposal and these Terms. Seller acknowledges that a Change Order may or may not entitle Seller to an adjustment in the Seller’s compensation or the performance deadlines under these Terms.

12. **Discontinued Products.** Seller is a critical supplier to Flushmate, and Flushmate relies on Seller's Products to fulfill orders to third-party customers, which orders contain specific requirements. Accordingly, any changes in the Products may impact Flushmate's ability to comply with its obligations to third parties. Seller shall therefore notify Flushmate at least ninety (90) days in advance and in writing of all changes in raw materials or their source, formulation, manufacturing location, manufacturing methods or processes, packaging, shelf life, or other changes to any Products delivered pursuant to any applicable Purchase Order. Further, Seller shall notify Flushmate at least ninety (90) days prior to the discontinuance of any Products. At a minimum, for ninety (90) days after Seller's last delivery of a Product that will be discontinued, Seller will provide such Product for Flushmate in accordance with Flushmate's Purchase Orders. Discontinuance or change to the specifications of a Product shall not alter any warranty on such Product.

13. **Permitted Subcontractors.** Seller shall obtain Flushmate's written consent prior to entering into agreements with or otherwise engaging any person or entity, including all subcontractors and Affiliates of Seller, other than Seller's employees, to provide any Services to Flushmate (each such approved subcontractor or other third-party, a "**Permitted Subcontractor**"). Flushmate's approval shall not relieve Seller of its obligations under these Terms, and Seller shall remain fully responsible for the performance of each such Permitted Subcontractor and its employees and for their compliance with all of the terms and conditions of these Terms as if they were Seller's own employees. Nothing contained in these Terms shall create any contractual relationship between Flushmate and any Permitted Subcontractor or supplier.

14. **Deliverables.** Seller agrees Flushmate will exclusively own all Deliverables. Any copyrightable aspects of Deliverables are "works made for hire" to the full extent permitted by law. If any Deliverables are determined not to be owned by Flushmate, Seller shall assign to Flushmate Seller's entire right, title and interest in all Deliverables and all intellectual property rights therein. Seller shall execute any documents in connection with such assignment that Flushmate may reasonably request. Seller appoints Flushmate its attorney-in-fact to execute assignments of, and register all rights to, the Deliverables and the intellectual property rights therein. Seller shall obtain, and provide to Flushmate upon request, agreements with each contributor to the Deliverables consistent with these obligations and shall enforce such agreements. For purposes hereof, "**Deliverables**" means the output of Seller's Services to Flushmate, including all materials, ideas, concepts, know-how and other embodiments thereof (e.g., all equipment, software, improvements to real estate, results, patentable and non-patentable concepts, findings, data, analysis documentation and reports), and any improvements to any of the foregoing, in each case, whether tangible or intangible, whether newly created or pre-existing and regardless of the state of completion.

15. **Warranty.** Seller warrants to Flushmate that for the period of time specified in the Purchase Order, or, if no period is specified, the longer of (i) the longest warranty period Seller provides its end users of Products or Services or, (ii) thirty six (36) months after the date of Flushmate's acceptance of the Products, that all Products will be free from any defects in workmanship, material and design or twelve (12) months after completion of any Services, that all Services were performed in a professional and workmanlike manner, free from defects and in accordance with the highest industry standards and any applicable specifications. Seller further warrants and represents that the Products will conform to applicable specifications, drawings, designs, samples and other requirements specified by Flushmate; be fit for their intended purpose and operate as intended; be merchantable; and be free and clear of all liens, security interests or other encumbrances. Further, Seller represents and warrants that: (a) all patents, trademarks, trade names, trade dress, copyrights, trade secrets, rights of publicity and other intellectual property rights (other than Flushmate IP Rights) used by Seller in connection with the Deliverables or in the development or manufacture of the Products (collectively, "**Seller IP**") are either owned by Seller or Seller has been and is properly authorized by the owner of such rights to use such intellectual property rights in connection with such Products and to sell such Products incorporating such Intellectual Property Rights to Flushmate or its customers for use or further resale and (b) the Products will not, at the time delivered, offered for sale or sold by Flushmate or its customers, infringe any Intellectual Property Right of any third party. Seller shall notify Flushmate's Legal Department in writing by certified mail, return receipt requested, within five (5) business days after it has knowledge of any claim or allegation of infringement, misuse, dilution, misappropriation, or other violation of any Flushmate IP Rights (defined in Section 18), in any way related to or affecting the Products. The warranties set forth herein survive any delivery, inspection, acceptance, or payment of or for the Products by Flushmate. Seller warrants to Flushmate that it shall perform the Services using personnel of required skill, experience, and qualifications and in a professional and workmanlike manner in accordance with generally

recognized industry standards for similar services and shall devote adequate resources to meet its obligations under these Terms. The warranties set forth in this Section 15 are cumulative and in addition to any other warranty provided by law or equity. Any applicable statute of limitations runs from the date of Seller's discovery of the noncompliance of the Products or Services with the foregoing warranties. If Flushmate gives Seller notice of noncompliance pursuant to this Section 15, Seller shall, at its own cost and expense, within two (2) business days after Flushmate's notice, (I) either, at Flushmate's option, (A) replace or repair the defective or nonconforming Products and pay for all related expenses, including, but not limited to, transportation charges for the return of the defective or nonconforming Products to Seller and the delivery of repaired or replacement Products to Flushmate, or (B) refund the Price to Flushmate for the defective or nonconforming Products and pay for all related expenses, including, but not limited to, transportation charges for the destruction or return of the defective or nonconforming Products to Seller, and (II) if applicable, repair or re-perform the applicable Services without further consideration. If Seller fails to timely deliver any replacement Products or Services, Flushmate may replace them with goods or services from a third-party and charge Seller the cost thereof.

16. **Indemnification**. You agree to indemnify and hold harmless Flushmate and their respective officers, directors, employees, managers, agents, successors and assigns (collectively, "**Indemnitees**") from and against any and all claims or demands (including reasonable attorneys' and experts' fees and costs) made by any party due to or arising out of (a) the Products purchased and/or Services provided, (b) Seller's breach of these Terms **or the Purchase Order, or the** negligence or willful misconduct, or breach of any law or the rights of a third party, or (c) any claim that Flushmate's or Indemnitee's use or possession of the Products or use of the Services infringes or misappropriates the patent, copyright, trade secret or other intellectual property right of any third-party.

17. **Insurance**. At all times, Seller shall, at its own expense, maintain and carry insurance in full force and effect in commercially reasonable amounts to cover all its Services, Products, obligations and liabilities under these Terms and all Purchase Orders, with financially sound and reputable insurers. Upon Flushmate's request, Seller shall deliver to Flushmate a certificate of insurance evidencing the above coverages. Flushmate, in its discretion, reserves the right to request that Seller obtain additional coverages.

18. **Flushmate Intellectual Property**. Seller acknowledges that Flushmate has the exclusive right, title, and interest in all of intellectual property rights owned or licensed by Flushmate, including, but not limited to, any Flushmate specifications (and any improvements thereto) used in the development of the Deliverables or Products ("**Flushmate IP Rights**"). Neither these Terms nor any Purchase Order are a transfer or assignment of any right, title, or interest in the Flushmate IP Rights to Seller. Any license to Flushmate IP Rights under these Terms must be expressly stated and any such license will be non-delegable and revocable by Flushmate upon notice to Seller. Seller must not do or cause to be done anything that impairs Flushmate's interest in the Flushmate IP Rights. Seller must not use, modify, duplicate, display or perform any Flushmate IP Rights unless Seller has obtained Flushmate's prior written approval. Any permitted use by Seller of the Flushmate IP Rights under a Purchase Order is limited to the term of the Purchase Order. Upon the expiration or termination of the Purchase Order or these Terms, or upon Flushmate's request, Seller must immediately cease all use of the Flushmate IP Rights and promptly return all materials to Flushmate.

19. **Seller Intellectual Property**. Seller has and shall maintain the exclusive right, title, and interest in and to the Seller IP. Seller hereby grants to Buyer an irrevocable, non-exclusive, worldwide, perpetual, royalty-free license, with the right to grant sublicenses, to use Seller's IP to produce, use, sell and to obtain, from alternate sources, products and services similar to the Deliverables and Products (including related systems and components) following the termination of these Terms or Purchase Order, and in connection with Flushmate's rights hereunder, to purchase Products from an alternative source at any time.

20. **Compliance with Laws**. Seller agrees to comply with all laws and regulations applicable to the manufacture, transport, storage, packaging, and/or sale of the Products or Services, including, without limitation, to the extent applicable, the U.S. Export Administration Act and all regulations thereunder. Seller shall maintain in effect all the licenses, permissions, authorizations, consents and permits that it needs to carry out its obligations under these Terms.

21. **Termination**. In addition to any remedies that may be provided under these Terms, Flushmate may terminate any applicable Purchase Order with immediate effect upon written notice to the Seller, either before or after the acceptance of the Products or delivery of Services. If Flushmate terminates the applicable Purchase Order for any reason, Seller's sole and exclusive remedy is payment for the Products received and accepted and Services accepted by Flushmate prior to the termination.

22. **Confidentiality.** From time to time during the term of the Purchase Orders, Flushmate (as the “**Disclosing Party**”) may disclose or make available to the Seller (as the “**Receiving Party**”) information about its business affairs, goods and services, confidential information and materials comprising or relating to Intellectual Property Rights, third-party confidential information and other sensitive or proprietary information. Such information, as well as these Terms, whether orally or in written, electronic, or other form or media, and whether or not marked, designated, or otherwise identified as “confidential” constitutes “**Confidential Information**” hereunder. Receiving Party shall for a period of five (5) years from receipt of such Confidential Information:

- (a). protect and safeguard the confidentiality of the Disclosing Party's Confidential Information with at least the same degree of care as the Receiving Party would protect its own Confidential Information, but in no event with less than a commercially reasonable degree of care;
- (b). not use the Disclosing Party's Confidential Information, or permit it to be accessed or used, for any purpose other than to exercise its rights or perform its obligations under any Purchase Order; and
- (c). not disclose any such Confidential Information to any Person, except to the Receiving Party's employees and approved subcontractors who need to know the Confidential Information to assist the Receiving Party, or act on its behalf, to exercise its rights or perform its obligations under a Purchase Order.

The Receiving Party shall be responsible for any breach of this Section 22 caused by any of its affiliates, employees, officers, directors, partners, shareholders, agents, attorneys, accountants, or advisors (collectively, “**Representatives**”). Without limitation of the foregoing, the terms of the confidentiality agreement heretofore entered into by the parties (the “**Confidentiality Agreement**”) (if any) are incorporated herein by reference and shall remain in force and effect until expiration of the term of the last outstanding Purchase Order (and thereafter in accordance with the terms of the Confidentiality Agreement). To the extent there is a conflict between the terms of this Section 22 and the terms of the Confidentiality Agreement, the more stringent confidentiality obligations shall apply to the parties.

23. **Limitation of Liability.** TO THE FULLEST EXTENT PERMITTED BY LAW, IN NO EVENT SHALL FLUSHMATE BE LIABLE FOR ANY SPECIAL, INDIRECT, PUNITIVE, COVER, INCIDENTAL OR CONSEQUENTIAL DAMAGES, HOWEVER CAUSED, WHETHER IN CONTRACT OR TORT OR UNDER ANY OTHER THEORY OF LIABILITY, INCLUDING WITHOUT LIMITATION, LOSS OF REVENUE, ANTICIPATED PROFITS, BUSINESS OR SALES, ANY LOSS OF GOODWILL OR REPUTATION, OR THE COSTS OF SUBSTITUTE GOODS OR PRODUCTS, EVEN IF FLUSHMATE OR AN AUTHORIZED REPRESENTATIVE THEREOF HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. FURTHER, IN NO EVENT SHALL FLUSHMATE'S LIABILITY UNDER THESE TERMS OR ANY PURCHASE ORDER EXCEED THE AMOUNT PAID BY FLUSHMATE FOR THE PRODUCT OR SERVICE SUBJECT OF THE CLAIM.

24. **Limitation on Time to File Claims.** TO THE FULLEST EXTENT PERMITTED BY LAW, ANY CAUSE OF ACTION OR CLAIM YOU MAY HAVE ARISING OUT OF OR RELATING TO THESE TERMS OR YOUR SALE OF THE PRODUCTS OR PERFORMANCE OF THE SERVICES MUST BE COMMENCED WITHIN SIX (6) MONTHS AFTER THE CAUSE OF ACTION ACCRUES, OTHERWISE, SUCH CAUSE OF ACTION OR CLAIM IS PERMANENTLY BARRED.

25. **Governing Law.** You agree that these Terms and your use of the Products shall be governed exclusively by the laws of the State of Illinois without regard to conflict of laws principles, regardless of your location when selling the Products or providing the Services. These Terms are entered into and performed in Chicago (Cook County), Illinois (USA). These Terms do not give rise to personal jurisdiction over Flushmate, either specific or general, in jurisdictions other than Illinois.

26. **Dispute Resolution.** The parties shall attempt to resolve any dispute, claim, or controversy arising under or relating to these Terms, any Purchase Order, the Products, Services, Deliverables, Bailed Property, Flushmate IP Rights, or any transaction between Seller and Flushmate through good-faith business negotiations or facilitative mediation in Chicago, Illinois. If the parties are unable to resolve the dispute within a reasonable time, then, except as expressly provided below, the dispute shall be finally resolved by binding arbitration administered by the American Arbitration Association (“**AAA**”) under its Commercial Arbitration Rules before a single arbitrator. The seat of arbitration shall be Chicago, Illinois. The arbitration shall be conducted in English. Judgment on the award may be entered in any court having jurisdiction. For any claim or dispute in which the amount in

controversy is less than Twenty-Five Thousand Dollars (\$25,000), exclusive of interest, attorneys' fees, and costs, the arbitration may, at Flushmate's election, be conducted solely on the basis of written submissions, without an in-person, telephonic, or video hearing, unless the arbitrator determines that a hearing is necessary for fundamental fairness.

27. **Court Carveouts.** Notwithstanding the foregoing, Flushmate may bring any action or proceeding in any court of competent jurisdiction to obtain injunctive, equitable, provisional, emergency, or other non-monetary relief; recover or obtain possession of Bailed Property, tooling, materials, records, Deliverables, Flushmate IP Rights, or other Flushmate property; enforce confidentiality or intellectual property rights; prevent or remedy an interruption to supply; enforce indemnity obligations; or pursue claims or remedies in any jurisdiction where Seller is located, where the Products, Services, Bailed Property, Deliverables, or relevant assets are located, or where Flushmate determines such action is necessary or appropriate to protect or enforce its rights. Seller irrevocably submits to the jurisdiction of the state and federal courts located in Cook County, Illinois, for any court action or proceeding permitted under this Section and waives any objection to personal jurisdiction, venue, or forum non conveniens in such courts.

28. **Attorneys' Fees and Costs.** If any litigation or other court action, arbitration, or similar adjudicatory proceeding is commenced by any party against the other party to enforce its rights under these Terms or otherwise in connection with the Products, Services, or the purchase, sale, or performance thereof, all fees, costs and expenses, including, without limitation, cost of arbitration, reasonable attorneys' fees and court costs, incurred by Flushmate, if it is the prevailing party in such litigation, action, arbitration or proceeding, shall be reimbursed by you; provided, that if Flushmate prevails in part, and loses in part, the court, arbitrator or other adjudicator presiding over such litigation, action, arbitration or proceeding shall award a reimbursement of the fees, costs and expenses incurred by Flushmate on an equitable basis.

29. **Severability.** If any provision of these Terms is held by an arbitrator or court of competent jurisdiction to be invalid or unenforceable, then such provision shall be enforced to the maximum extent permissible so as to affect the intent of these Terms, and the remainder of these Terms shall continue in full force and effect.

30. **No Waiver.** The failure by Flushmate to exercise or enforce any rights or provisions of these Terms shall not constitute a waiver of such right or provision.

31. **No Partnership.** No partnership, joint venture, franchisor-franchisee, or agency relationship is intended or created by these Terms.

32. **Assignment.** You may not assign or transfer these Terms or your obligations hereunder in whole or in part, whether by operation of law or otherwise, without Flushmate's prior written consent. In the event of a permitted transfer, these Terms shall bind and inure to the benefit of the parties, their respective successors and permitted assigns. To the extent any novation is required for Flushmate to assign these Terms, you hereby appoint the officers of Flushmate as your attorney-in-fact to execute all documents necessary to consummate such novation. Flushmate may assign or transfer these Terms or its obligations hereunder in whole or part, whether by operation of law or otherwise, without your consent.

33. **Force Majeure.** Any delay in the performance of any duties or obligations of Flushmate will not be considered a breach of these Terms or any Purchase Order if such delay is caused by a labor dispute, market shortage of materials, fire, earthquake, flood, or any other event beyond the control of Flushmate, provided that Flushmate uses reasonable efforts, under the circumstances, to resume performance as soon as reasonably practicable.
